# The Nutcracker Story

(2024)

The Nutcracker Ballet is based on the story "The Nutcracker and the King of Mice" written by E.T.A. Hoffman in 1816. It is the story of a young German girl who dreams of a Nutcracker Prince and a fierce battle against a Mouse King.

**The Party:** It is Christmas Eve at the Stahlbaum house. The Stahlbaums are hosting their annual Christmas party. The children, Clara and Fritz, are dancing and playing as friends arrive. The party grows festive with music and dance as godfather Drosselmeyer arrives. He is a skilled clock and toy maker and always full of surprises. Drosselmeyer draws everyone's attention as he presents life size dolls. They are the delight of the party, each taking a turn to dance. The children begin to open gifts when Drosselmeyer presents his to Clara and Fritz. Although his gift to Fritz is quite nice, he gives Clara a beautiful Nutcracker that becomes the hit of the party. As the evening grows late, the guests depart and the Stahlbaum family retires for the evening. Clara, thinking of her beloved Nutcracker, sneaks to find him and falls asleep with him in her arms.

**The Battle:** As the clock strikes midnight strange things begin to happen. Clara begins shrinking as her beautiful Christmas tree grows high above her. Clara is quickly surrounded by giant Mice and their leader the Rat King. The Rat King corners the Nutcracker and battles him one-on-one. After a terrible battle and a final blow from the Nutcracker, the Rat King drops to the floor and the mice run away, carrying off their leader's lifeless body.

**The Land of Snow** The Nutcracker turns into a Prince and takes Clara on a journey to the Land of Snow, an enchanted forest wonderland where they are welcomed by the beautiful Guardian Angel and her Snow Angels. As they travel through the wonderland they watch the beautiful Snow King and Snow Queen dance and are surrounded by beautiful dancing Snowflakes. The Snow Queen gifts Clara with a beautiful jeweled crown.

**The Land of Sweets.** The Prince then escorts Clara to the Land of Sweets where they are greeted by the Guardian Angel and her Petit Angels. Clara receives dances and gifts from around the world. She receives Lollipops from the Sweet Treats, Chocolate from Spain, Coffee from Arabia, Tea from China, Ginger Cookies from the Polichinelles, the Peppermint Pipes play her a song, The Russian Dancers bring her Candy Canes, and lastly she receives beautiful flowers from the Waltzing Flowers. Clara then has the pleasure of watching the queen of the land, the Sugar Plum Fairy and her Cavalier dance a beautiful pas de deux.

**Clara's Home:** Clara awakens and finds herself by the Christmas tree with her beloved Nutcracker. She believes it was all just a dream, but then she finds the beautiful crown on her head given to her by the Snow Queen.

So...was it a dream or was it real?
